

DESERT MERMAIDS

HELLO MERMAID,

Here are few important things to know before you start using your new Mermaid tail.

- 1. Please understand that Mermaid Tail and the Fin are only to be used by good swimmers and with **ADULT SUPERVISION ONLY!***
- 2. Stay safe at all times by not hopping or using the stairs while using the tail and the fin.*
- 3. Be gentle to the tail by not dragging it on the hard surfaces as the glitter will rub off.*
- 4. Put on the tail first then slip into the fin before entering the water.*

Caution! *Mermaid Tail and Fin are to be used only by competent swimmers and under Adult Supervision only!*

Do not hop or use stairs while wearing the tail and or Fin. Play Safe!

Be gentle to your mermaid tail by not rubbing or dragging it on surfaces as the scales and glitter will rub off - just like a real mermaids tail.

Put the tail on first then slip into the fin before entering the water.
